European Cross-Border Skills

Students | PhD students
Academic and non-academic staff

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Purpose of the Erasmus+ project ECBS

- Highlighting the knowledge and skills developed by students and staff in connection with the cross-border geographical location of universities
- Developing tools for articulating and assessing the transversal skills developed in cross-border contexts
- Facilitating the exchange of best practices among higher education institutions involved in cross-border projects and collaborations
